

TANEX allround

green-Effective® 4 in 1 power cleaner

Eco-efficient performance with eco-effective product design

User and environmental safety at the highest cleaning performance

- First Cradle to Cradle® Gold certified range in the cleaning industry*
- Certified with the European Ecolabel (DE/020/385)
- Registered in the positive list of "DIE UMWELTBERATUNG"
- Complete abandonment of toxic and harmful materials
- Outperforms other products at lower use concentration

Cradle to Cradle Certified® is a certification mark licensed by the Cradle to Cradle Products Innovation Institute. The product has been Cradle to Cradle Certified® at the Gold level, packaging meets Silver level requirements.

Complete biodegradability

- TANEX allround with all its ingredients is totally biodegradable and has proven this important property in an accredited mineralization test according to OECD 302 B standard*

*for more information please visit www.wmprof.com

Intensive use of renewable resources – continuous increase of the reutilisation score

- Production under extensive use of renewable raw materials and energy using to 100% hydroelectric, solar and geothermic power
- Production widely independent of crude oil: 56% of organic carbon processed in TANEX allround originates from renewable plant resources which enables a production that is widely independent of crude oil
- Active water stewardship maintaining an own fresh and waste water treatment

Ingredient declaration

5-15% non-ionic surfactants (fatty alcohol EO adduct), <5% anionic surfactants (sodium alkyl sulfate), soap (plant based oleic acid), perfumes

Specific ingredients: water, glycol ether, sodium citrate, food colour (E131), cosmetic dye, PHENOXYETHANOL

Traditional German quality - driving your durable business development

- More than 30 years pioneer in sustainable product development
- Smart hygiene solutions ensuring profitable growth
- Trusted brand

Professional user training and on-site support for Sustainable Hygiene Solutions

- Comprehensive knowledge transfer through qualified cleaning consultants
- Customized hygiene plans and cleaning recommendations optimizing your business and cleaning procedures
- Increased service value and strengthened company reputation

Sustainable development and production

EMAS:

- Continuous improvement of environmental performance
- Annual sustainability report
- Energy and water management
- Social Fairness

DIN ISO 14001:

- Continuous improvement in reducing waste and CO2 emissions, and saving of energy, water and material consumption

ISO 50001:

- Continuous improvement of energy management: performance, efficiency, security, use and consumption

A.I.S.E.-Charter:

- Safe and sustainable manufacturing of cleaning products

DIN ISO 9001:

- Continuous improvement of management processes and customer satisfaction
- Established quality management system in product development and production

makes the difference

TANEX allround

green-Effective® 4 in 1 power cleaner

■ Versatile ■ Excellent wetting ■ Powerful

Product profile

- The pleasantly scented TANEX allround is a highly wetting and low alkaline 4 in 1 power cleaner to clean all kinds of water resistant floorings and surfaces.
- **Daily maintenance cleaning:** Due to its low alkaline formulation, TANEX allround is ideally suited for daily maintenance cleaning even of highly soiled areas.
- **Intensive cleaning:** In case of higher dirt build-up TANEX allround can be used as an effective intensive cleaner.
- **Cleaning prior to handover:** The powerful TANEX allround is also ideal for cleaning prior to handover and to remove production residues on new floorings.
- **Reconstruction of polishes:** TANEX allround allows cleaning of worn polymer polishes in order to reconstruct a homogenous surface through a consecutive application of new layers.
- With its low foaming properties TANEX allround is suited for the use in auto-scrubbers.

Application and Dosing

Dose in relation to application and degree of soil. Follow below instructions.

2,5-7,5 mL/L

Floor cleaning: mop the floor with a clean mop or use auto-scrubber.

Surface cleaning: Wipe the surface with a clean cloth.

20 mL/L

Intensive cleaning: apply solution on the surface, scrub and rinse off.

Cleaning prior to handover

Reconstruction: Apply, leave for 10 min., scrub with single disk machine and a suitable pad*. Remove the dirt using a water suction cleaner. Wipe with water before recoating.

Area of application

- TANEX allround is ideally suitable for use on all water resistant surfaces and all elastic floorings, natural and artificial stones, concretes and polish protected floorings. Do not use on unsealed wood and acrylic glass.

*Reconstruction: For maximum compatibility use a red pad.

Product safety, storage and environmental instructions

Safety: For professional use only. Do not mix with other products. Test material compatibility before use. For further information, see Safety Data Sheet.

Storage: Store at room temperature in the original container.

Environmental: Only give completely emptied packaging in the recommended waste container. Proper dosing saves costs and minimizes environmental impact.
